ABOUT

## Gentle parenting, told like a family album.

Ankushali Vlogs is run by Ankur and Vaishali from Aligarh, Uttar Pradesh, sharing real moments with their baby boy Kushagra. The content is calm, clean and useful, from daily baby-care routines to honest first-time-parent learnings. No noise, no drama.

> “Our viewers are young Indian parents who are actively buying for their baby. They save our routines and message us for product links.”

Why brands choose us: baby care, diapers and wipes, feeding, nursery, mother and child, family lifestyle.

WHAT WE CREATE

# Four content pillars

## Baby care routines

Bath, massage, feeding and sleep routines as they really happen at home.

## Honest product use

Diapers, wipes, oils, feeding gear and nursery items shown in daily use.

## Milestones & firsts

First foods, doctor visits, play and little wins with Kushu.

## Family lifestyle

Home, festivals, travel and the everyday rituals of a young Indian family.

OUR WORK

# Real videos. Real products. Real parents.

Our most-watched videos, and the products that appear in our vlogs. Each one is linked from our website with a "Check price" button, so a feature can drive direct clicks.
